

NURSING ADMINISTRATION, M.S.N.

The program's curriculum is designed to prepare professional nurses to enter leadership roles and work within interdisciplinary teams to improve system and population health services in a variety of health care settings.

Graduates of the program may be eligible to sit for certification examination as a nurse manager or nurse executive.

Learning Outcomes

At the conclusion of the program, the master's graduate will be able to:

- Apply theoretical knowledge to the practice of advanced nursing roles.
- Utilize evidence to address population health problems.
- Demonstrate professionalism at the advanced nursing level in the clinical setting.
- Pursue quality, effectiveness, and innovation in shared leadership of interprofessional health teams.
