

# HEALTH CARE COMPLIANCE, CERTIFICATE

---

Students who earn a compliance certificate will have the knowledge and skills necessary to work in a compliance position for a health care entity. Students will understand the various governmental entities which govern the U.S. health system and regulate health care entities. Students will begin to understand the role of law and the legal profession in that system. Students will develop skills necessary to help health care providers and entities comply with a variety of dynamic legal requirements. **This certificate does not qualify a student to take a bar examination or prepare a student for the practice of law.**

## Admission Requirements

Successful completion of undergraduate degree from a regionally accredited institution or the equivalent.
