

SOCIAL AND BEHAVIORAL HEALTH WITH MILITARY MEMBERS, VETERANS, AND MILITARY FAMILIES, CERTIFICATE

Introduction

The Graduate Certificate for Social and Behavioral Health with Military Members, Veterans and Military Families is administered by the College of Social Work. It provides MSW students with specific knowledge and skills necessary to interact in military and community settings where the needs of veterans and their families are met. The program is designed to develop competency in knowledge about the military and military culture, understand the signature injuries associated with different military conflicts and those associated with military life, and understand intervention and rehabilitation strategies that are effective when working with this diverse population.

Learning Outcomes

- Students will have knowledge about military culture, values of duty, courage, and selflessness associated with military service.
- Students will understand the impact of resilience on soldiers and families. Students will be demonstrate their understanding of the connection between resilience and prevention of combat related problems such as PTSD.
- Students will demonstrate knowledge of the differential impacts of military service for unique military populations.
