Programs

The Department of Theatre and Dance offers the Bachelor of Arts degree with majors in theatre and dance.

Theatre

The theatre major is especially suitable for persons wishing a strong liberal arts education and/or preparation for careers in theatre, the entertainment industry, communication, education, law, medicine, the ministry, etc.

Dance

The Bachelor of Arts in Dance offers two concentrations: performance and choreography or dance education, and all students actively participate in departmental productions. The program is known for offering rigorous technical training while also providing opportunities for broad-based study in dance and beyond. Experience a world-class repertory, including historical dance works by George Balanchine, Martha Graham, Twyla Tharp, David Parsons, Lila York and Lynne Taylor Corbett, as well as original works by our eminent faculty. You will be exposed to dance techniques that include classical ballet, contemporary dance, jazz, musical theater and world dance. Students focusing in dance education have multiple opportunities to participate in professional learning experiences in a variety of educational and community settings while completing their studies. By extending the classroom into the field, students participate in hands-on learning that prepares them for teaching dance to a variety of populations while earning K-12 certification in dance.
