

INTERNATIONAL BUSINESS / UNIVERSITY OF MANNHEIM, M.I.B. / MANNHEIM MASTER OF MANAGEMENT

The program is designed as a double or dual degree program, which allows students to pursue degrees at both institutions. Each institution confers its own degree for work done to meet the graduation standards of the program of that institution. The program will give selected students from both institutions the opportunity to acquire the Master of International Business (MIB) from USC and the Mannheim Master in Management M.Sc. (MMM) from the University of Mannheim.
