

PUBLIC HEALTH/HEALTH SERVICES POLICY MANAGEMENT, M.H.A. WITH NANJING MEDICAL UNIVERSITY

Degree Requirements (58 hours)

It is believed that the students will typically take 12 or less credit hours as non-degree seeking students. If students take 12 or less credit hours as non-degree seeking students, it is possible that the degree can be completed in two years beyond non-degree seeking status. It is expected that students will apply to the Graduate School after the first semester as a non-degree seeking student.
