

# EDUCATIONAL PSYCHOLOGY AND RESEARCH, PH.D.

## Degree Requirements (60 Hours)

Minimum hours required:

- 60 hours post-baccalaureate;
- 60 hours post-masters (for students entering with a masters in another field);
- 42 hours post-masters (for students entering with an M.Ed. in Educational Psychology and Research or an equivalent degree)

Completing the degree in 42 post-masters hours is possible for students who have previously completed a master's degree in Educational Psychology and Research or an equivalent master's program. To complete the Ph.D. program, all requirements listed in the curriculum below must be met with prior coursework or taken as part of the Ph.D. Students entering with this master's degree will have their transcripts reviewed by an advisor to determine courses and credit hours needed to complete the Ph.D., but must complete a minimum of 42 hours in the Ph.D.

The total number of hours required may vary depending on prior graduate coursework completed, but must be no less than the hours stated above. Based on the curriculum described below, a program of study will be developed with the student's advisor and must be approved by the Graduate Director and the Dean of the Graduate School. Courses listed on the program of study must be completed no more than 10 years prior to graduation.
