

HEALTH INFORMATION TECHNOLOGY, M.H.I.T.

Admission Requirements

Beyond completing the normal application process through the graduate school, applicants to the MHIT program must have an undergraduate grade point average (GPA) of at least a 3.0 and submit GRE or GMAT scores. An admissions scorecard will be used to evaluate applicants, weighing the applicant's GPA, test scores, reference letters, previous professional experience, and career goal statement. This will allow the balancing of test scores, GPA, experience in or motivation for a health IT career, and letters of recommendation. Applicants with prior graduate degrees may be considered for waiver of GRE/GMAT scores on a case-by-case basis.
