NUCLEAR ENGINEERING, M.S.

The Graduate School has general requirements for M.E., M.S., and Ph.D. students that must be met by all degree candidates (including earning at least 30 credit hours beyond the bachelor’s degree for master’s degrees and at least 60 credit hours beyond the bachelor’s degree for doctoral degrees). The Department of Mechanical Engineering has added requirements (some of which are described below) that must be met before students can complete their degrees. Consult the department for complete, current requirements.

Learning Outcomes

1. Students will demonstrate knowledge in the fundamental subject areas of nuclear engineering.
2. Students will demonstrate the ability to execute a research or development project in a specific area of interest.
