

MASTER'S ENTRY TO PRACTICE, M.S.N.

The Master's Entry to Practice (MEPN) program is an entry into practice master's degree that provides students with a previously earned bachelor's degree the opportunity to gain education and experience as a direct care provider of nursing in a variety of settings. The degree also provides an advantage to adult learners choosing nursing as a second career allowing them to become a nurse in a shorter amount of time and to earn a higher degree as opposed to a second baccalaureate degree.

Graduates of this program are eligible to apply to sit for the National Council Licensure Examination (NCLEX-RN), examination in order to obtain a registered nurse license.

Learning Outcomes

1. Apply theoretical knowledge to the practice of advanced nursing roles.
2. Utilize evidence to address population health problems.
3. Demonstrate professionalism at the advanced nursing level in the clinical setting.
4. Pursue quality, effectiveness, and innovation in shared leadership of interprofessional health teams.
