

NURSING ADMINISTRATION, CERTIFICATE

The Certificate of Graduate Study in Nursing Administration is for students who hold a master's degree in nursing and choose to pursue additional knowledge in the area of nursing administration. The program's curriculum is designed to prepare professional nurses to enter leadership roles and work within interdisciplinary teams to improve system and population health services in a variety of health care settings.

Graduates of the program may be eligible to sit for certification examination as a nurse manager or nurse executive.

Learning Outcomes

- Demonstrate professionalism at the advanced nursing level in the clinical setting.
- Pursue quality, effectiveness, and innovation in shared leadership of interprofessional health teams.
