NURSING EDUCATION, CERTIFICATE

The Nursing Education, Certificate (post-master's certificate) curriculum is designed to prepare professional nurses to enter educational roles and work within both colleges and universities as well as hospital systems. Graduates of the program may be eligible to sit for the nurse educator certification examination.

Learning Outcomes

1. Demonstrate professionalism as a nurse educator in the academic and clinical setting.
2. Pursue quality, effectiveness, and innovation in shared leadership of interprofessional education teams.
