

EXERCISE SCIENCE, PH.D.

Learning Outcomes

1. PhD students will demonstrate mastery of research germane to their area(s) of specialization.
2. PhD students will develop skills in conducting and disseminating research.

Admission Requirements

- Applicants for the program must have an earned baccalaureate degree in exercise science or related discipline from an accredited institution
- Grade point average of 3.00/4.00 or higher
- GRE scores (optional)
- For international applicants, a satisfactory score on the Test of English as a Foreign Language (TOEFL) - minimum score of 80 internet-based, 230 computer-based, or 570 paper-based - or the International English Language Testing System (IELTS) Academic Course Type 2 exam - minimum overall band score of 6.5. This requirement may be waived for applicants that have earned a prior degree from a US institution.
- Identification of a Ph.D. mentor
