

# UNIVERSITY OF SOUTH CAROLINA BULLETIN

---

The Academic Bulletins are the official documents of record concerning academic programs and regulations. Each calendar year has a unique bulletin and there are different bulletins based on your particular course of study.

**NOTE: Academic bulletins are updated annually. Please make sure you are viewing the correct bulletin year for your program of study. You may need to view a bulletin from the 'Bulletin Archives (<https://academicbulletins.sc.edu/archives/>)' section. Your bulletin year is typically the academic year you first enrolled at USC and can be confirmed by viewing your DegreeWorks audit under the 'Catalog Term' heading.**
