The determination made at that time, and any determination made thereafter, prevails for each subsequent semester until information becomes available that would impact the existing residency status and the determination is successfully challenged. The burden of proof rests with the students to show evidence as deemed necessary to establish and maintain their residency status.

Free Tuition
Certain exemptions from tuition fees have been established under South Carolina Law. Relevant sections of the code are reproduced below. Please note that these laws include free tuition only. Other academic fees and mandatory fees are still the responsibility of the student.

Refund Policy

1. Policy
The University will refund a part of academic fees in certain cases:
   a. Changes in a student’s status, which may require a refund.
      i. Change in a full-time student’s schedule, which results in reclassification to part-time status
      ii. Change in a part-time student’s schedule, which results in fewer credit hours.
   b. Situations, which may require a refund.
      i. Course or courses dropped
      ii. Drop/Withdrawal from the University
      iii. Cancellation of a class by the University

2. Procedure
   a. Refund Requests
      All requests for refunds must be received during the academic year for which the fees were paid. The academic year begins with the fall term and ends with the summer term. Refunds may be requested at any time during the academic year in which the applicable term occurs.

b. Determining the Refundable Portion Procedure
Student refunds for tuition are calculated based on the student’s liable hours after the drop/withdrawal. Liable hours are calculated as the total hours a student is still registered plus the liable portion of the dropped/withdrawn course(s). The liable portion is computed by taking the number of dropped hours times the liability rate (which is 100 percent minus refund percentage). The refund amount is determined to be the difference of the original assessment and the assessment based on the new liable hours. For students whose liable hours are 12 or above, no refunds are processed. Other academic fees are non-refundable after the 100 percent refund percentage. For students activated for full-time military service during an academic term, the University follows state law in Section 59-101-395. Any refund calculated will be applied to the student account.

C. Drop/Withdrawal refund Policies
Standard refund policy for dropping/withdrawal from the University:

All refunds will be based solely on the percentage of time (in days) between the first day of a part-of-term and the last day of a part-of-term. The percentage (in days) will include all Saturdays, Sundays, and holidays between the start and end dates of each part-of-term. Exceptions to this rule may only be made by the Bursar’s Office. In these instances, any change in the refund percentage would be moved out to the next closest business day. Courses fewer than six days long, first day = 100% refund, remaining days = no refund
   i. 100 percent if the student’s official drop/withdrawal calculation is within 6% of the enrollment period for which the student is liable.
   ii. 70 percent if the student’s official withdrawal calculation is between the period specified in (1) or before the end of the 10 percent period of enrollment for which the student is liable.
   iii. 50 percent if the student’s official withdrawal calculation is between the period specified in (2) or before the end of the 16 percent period of enrollment for which the student is liable.
   iv. 20 percent if the student’s official withdrawal calculation is between the period specified in (3) or before the end of the 25 percent period of enrollment for which the student is liable.

d. Refund Schedules
Refund schedules are relocated under the important deadlines on the Registrar’s website (http://registrar.sc.edu/).

e. Return of Title IV Funds
Refunds Policy for Students Who Have Received Title IV Funds and Withdraw From the University
   i. Federal financial aid funds are awarded with the expectation that students will complete the entire period of enrollment. Students “earn” a percentage of the funds that are disbursed with each day of class attendance. When a student who has received federal aid funds (Title IV Funds) leaves school before the end of the semester or period of enrollment, federal regulations require the University of South Carolina to calculate the percentage and amount of “unearned” financial aid funds that must be returned. Once a student has completed more than 60 percent of the enrollment period, they are considered to have earned all funding received. This calculation may have the effect of requiring the student who
withdraws before this time frame to repay funds that have already been disbursed to the student or credited towards their current account for tuition, fees, housing and/or meals. Students are encouraged to meet with a counselor in the Office of Student Affairs, or the appropriate office on their campus, prior to making the decision to withdraw from.

ii. Title IV Refund Distribution
1. For fully withdrawn students receiving federal and/or state funds, the refund will be governed by the current Federal Title IV refund policy. The Office of Student Financial Aid and Scholarships determines the amount of the refund that is distributed back to Title IV, HEA Programs or other Financial Aid sources. For students and their parents who have received student loans or other forms of financial aid, funds will be returned in the order prescribed by federal regulations. The institution must return the funds to the financial aid program other than College Work Study, up to the amount of assistance that the student received from those programs. Funds are to be distributed to the financial aid programs in the following order:
   • Unsubsidized Federal Stafford
   • Subsidized Federal Stafford
   • Federal Perkins
   • Federal PLUS Loan
   • Federal Pell Grant
   • Federal Supplemental Education Opportunity Grant
   • Federal TEACH Grant
   • Federal Iraq/Afghanistan Service Grant
2. Any remaining balance will first be used to repay any outstanding university charges and any subsequent balances will be refunded to the student/parent as soon as possible but no later than 14 days after the calculation.
3. Exit interviews (http://www.sc.edu/financialaid/loan_counseling/default.html) are required before leaving the University of South Carolina for all students who withdraw and have received Stafford, Perkins or Federal Nursing/Health Professions Loans. Questions regarding exit counseling should be referred to the appropriate campus Financial Aid and Scholarships Office.

f. Appeals Process
A process for appeals exists for students or parents who believe circumstances warrant exceptions from published policy. The student must be fully withdrawn from the University in order to apply for an appeal. The Withdrawal Refund Appeals Committee reviews and act on all appeals. Address appeals to:

Withdrawal Refunds
All full- or part-time students wishing to withdraw from the University or to discontinue enrollment from all courses for the semester should follow the instructions online at my.sc.edu (https://my.sc.edu/) when they request to drop their last course. Staff members in the Office of Admissions and Records are available to assist students in completing the withdrawal process. In addition, staff from the Office of Financial Aid can provide financial counseling concerning withdrawing from classes. Students requesting withdrawal for extenuating circumstances after the penalty date (last date for W grade) should consult with staff in the Admissions and Records Office.

In establishing a diminishing-scale refund process for withdrawals, the University operates on the philosophy that many of the basic costs of instruction are incurred at the end of the first week of classes or within an equivalent period for nonstandard semesters. The assignment of a classroom seat to an individual student precludes any other student from occupying that seat. In addition, an instructor is assigned and the costs of instruction are encumbered on the first day of classes.

A student who withdraws from the University after the first week of classes has already occupied a classroom seat that cannot be reassigned. As a result, the University cannot both maintain its financial integrity and also provide a full refund. Accordingly, the University has established a series of refund deadlines commensurate with student progress into the semester.

It is the responsibility of the Business Office to administer the withdrawals process on a daily basis and to apply the published refund schedule to routine withdrawals. On those rare occasions when it can be documented that unanticipated and extenuating circumstances directly related to a student’s withdrawal warrant exceptional consideration, and the amount of the refund due is contested, the Business Office will inform the student of the appeal process and advise the student of the necessary procedures.

University Withdrawal Refund Appeal Procedures
The University Withdrawals Refund Appeal Committee is authorized to consider appeals and approve extraordinary exceptions to the University’s published withdrawal refund schedule due to humanitarian and due-process considerations.

Guidelines for committee consideration of withdrawal appeals are:
1. The appeal must be submitted in writing to the Business Office and will be considered only in written form. A standardized appeal form must be submitted.
2. All requests for appeal must be submitted directly by the student through the Business Office and must meet one or more of the following criteria to be considered and approved by the appeals committee:
   a. Documentation of an accident, illness, injury, or incident which could not be influenced, predicted, planned for, or prevented by the student or the institution. This provision specifically excludes conditions or chronic illnesses known to the student at the time of enrollment.
   b. Demonstration that the application of the published refund policy would result in a specific and substantial personal hardship to the student. This provision specifically excludes circumstances or effects which would simply inconvenience the student or the student’s family.
   c. Documentation of substantiated circumstances where a student has in good faith relied upon the veracity of a University official’s advice, or the official’s interpretation of the text of a University document or publication, and was consequently misled or mistaken about the terms of the published refund policy.
3. The appeal must be initiated during the semester for which the refund is requested.

4. The appeal must involve a total withdrawal from the University. No partial withdrawals will be considered.

5. Appeals will only address whether or not a refund will be granted. No consideration will be given to grade assignment or other academic issues. Students must address such issues directly with the faculty members and the college. If applicable, requests for Extenuating Circumstances Withdrawals for grade change purposes must be resolved prior to deliberations by this committee.

6. Grounds for consideration of an appeal will be restricted to only those circumstances personally experienced by the enrolled individual with whom the University has a direct relationship. Loss or illness of a family member, close associate, or employee, and/or difficulty in family-operated businesses are excluded from consideration.

7. Decisions will be made by a simple majority vote of the committee membership and documented in writing by the chairperson. The student will be informed of the outcome of the appeal by letter from the Business Office.
