## Student Conduct Statement

The University of South Carolina Lancaster strives to maintain an educational community that fosters the development of students who are ethical, civil, and responsible persons. The purpose of the USCL Code of Student Conduct is to set forth the specific authority and responsibility of the university in maintaining behavioral standards. The university may take disciplinary action for a violation of the Student Code of Conduct when the offense takes place on university premises or at university sponsored, endorsed, supported or related events which occur off campus. University action will also occur when an offense which occurs off campus may adversely affect the university community, its policies or procedures, or which affect the university's pursuit of its mission. When there is an allegation that a student has committed an offense that is also a crime, a student can be charged both by the criminal justice system and the student conduct system. Disciplinary action at the university will normally proceed independently of pending criminal charges, including when charges involving the same incident have been dismissed by the criminal justice system.

*Permanent Suspension:* Dismissal from the University without leave to apply for readmittance.

*Suspension for a Period of Time:* Denial of enrollment, attendance, and other privileges at the University for a given period; leave to reapply for admission at termination of the period may be granted with or without qualifications.

*Interim Suspension:* Interim suspension is an action requiring that a student immediately leave the campus and University property. It may be imposed by the dean when there is reasonable cause to believe, based on available facts, that the student is an immediate threat to the safety of self, other members of the University community, or University property. Any student who is suspended on an interim basis and returns to the campus or University property during the suspension shall be subject to further University action and may be treated as a trespasser. When a student is suspended on an interim basis, the student is given notice containing the reasons for the suspension, the duration and any special conditions that apply, and a copy of the interim suspension policy.

## Sexual Assault Policies and Services

The University of South Carolina is an educational community bound by common standards of conduct and a commitment to its educational mission. Sexual assault is considered particularly abhorrent because it interferes with the educational mission by:

- endangering the physical and emotional safety of community members;
- damaging trust in the community;
- offending the dignity and violating the autonomy of community members; and
- disrupting the academic progress of complainant s or survivors during their recovery.

As a result the University provides the following services:

- resources aimed at reducing the risk of sexual assault, including educational programs for men and women;
- a statement of expectations for behavior with regard to sexual conduct;
- procedural interventions to offer support and information following a sexual assault; and
- campus judicial procedures that provide for the needs of complainant s or survivors and protect the rights of alleged assailants.

Statistically, members of college communities are at great risk of being assaulted or exploited sexually and most probably by someone known to or trusted by the complainant . Studies have shown that sexual assaults occur with disturbing frequency among college age men and women but are often unreported. In order to provide for the needs and care of complainant s, as well as to enforce the behavior standards critical to the University's mission, it is important that all violations of this policy are reported to appropriate authorities, including the law enforcement officials or agencies with jurisdiction in the location of the incident. Portions of this policy may parallel published laws, but are in no way intended to substitute or supplant those laws. As members of the University community, students are expected to comply with and abide by the University policies and guidelines issued below, as well as the laws of the State of South Carolina.

The use of alcohol and other drugs, in conjunction with an incident of sexual assault does not mitigate accountability for the commission of this crime or diminish the seriousness of the crime. The use of substance with the possibility of harm to another individual will be considered by the associate Dean or Student Affairs Committee when determining responsibility and appropriate sanction.

This policy is subject to change to comply with changes in relevant laws or University operating procedures.

### Complainant 's Bill of Rights

Complainant s of sexual assault who report their experience to University officials can anticipate that:

1. All sexual assaults will be treated seriously.
2. Complainant s will be treated with dignity and respect and in a nonjudgmental manner.
3. Campus organizations and services that can assist complainant s will be identified.
4. When a crime is reported to University officials, those officials will offer assistance in notifying proper authorities.

5. When complainant s report and choose to pursue action against alleged assailants, assaults will be investigated and adjudicated by appropriate criminal and/or University authorities.
6. University personnel will not discourage complainant s from reporting, nor encourage them to underreport or report the incident as a lesser crime.
7. Complainant s may invite an advisor they choose to accompany them through University disciplinary proceedings.
8. A complainant will be notified of the outcome of related University discipline proceedings. The complainant and the charged student must respect the privacy of all involved.
9. University personnel will cooperate in obtaining, securing and maintaining evidence (including a medical examination), necessary in legal proceedings.
10. Complainant s will be made aware of any State or Federal laws regarding mandatory testing of sexual assault suspects for communicable disease and whether these professionals can notify a complainant of the results of these tests.
11. Complainant s will be notified of mental health services available.
12. Complainant s will be afforded the opportunity to request immediate transfer of classes or other steps to prevent unnecessary or unwanted contact or proximity to an alleged assailant when reasonably available.
13. All students have the right to an environment free from sexual or physical intimidation, or any continuing disruptive behavior that would prevent a reasonable person from attaining their educational goals. Disruptive behavior of this nature should be reported to appropriate University staff, so it can be addressed.
14. The sexual history of the complainant is not considered relevant to the truth of the allegation; therefore, information regarding sexual history external to the relationship between the complainant and the alleged assailant will not be considered in discipline hearings.

Sex Discrimination prohibited by Title IX includes sexual harassment, sexual assault, sexual violence, and sexual misconduct. Title IX also prohibits retaliation against an individual who, in good faith, asserts his or her rights under Title IX or other applicable federal laws and state laws prohibiting illegal discrimination.

### University Definition

For the purpose of this policy and related procedures, the term sexual assault is defined as "unwilling or unconsenting sexual intercourse or penetration of any bodily opening with any object; the touching of an unwilling person's intimate parts (such as genitalia, groin, breast, buttocks, mouth, and/or clothing covering them); touching an unwilling person with one's parts or forcing an unwilling person to touch another's intimate parts."

Behavior contemplated in this definition includes acts that are unwanted and/or may be committed either by force, threat, intimidation, or deceit, or through exploitation of another's mental or physical condition of which the assailant was aware or should have been aware.

USC Lancaster conduct regulations incorporate this definition by obliging students to comply with all published policies and procedures of the University. (See University Policies and Procedures.) Behaviors prohibited by this policy may also be prohibited by the general conduct regulations obliging students to comply with all published state, federal, and local laws, and the prohibition of "disorderly conduct" defined to include behaviors that unnecessarily disturb others, including

unwelcome physical contact and/or threatening behavior. They may also be simultaneously prohibited by the general regulation prohibiting "disruptive activity," defined to include any behavior that interferes with or disrupts normal activities or invades the rights of persons.

USC Lancaster conduct regulations and disciplinary procedures consider attempting, abetting, or being accessory to any act prohibited by the general conduct regulations the same as a completed violation.

### **Criminal Definition**

As noted above, in publishing this policy the University is not intending to substitute or supersede related civil and criminal law. It is the policy of the institution to strongly encourage complainants to report all incidents and violations to the law enforcement officials or agencies with appropriate jurisdiction and avail themselves of all the services and rights to which they are entitled by law.

It should be clearly understood that there is a fundamental difference between the nature and purpose of student discipline and criminal law.

Regardless of the charge issued by procedures employed, sanctions issued by the University can be expected to be consistent with the educational mission of the institution.

According to USC Lancaster's Arrest Policy, students who are apprehended and charged by law enforcement agencies with felony criminal charges off campus are required to inform University officials. The University may bring disciplinary action against the student for the same incident if the alleged conduct is prohibited by the institution and/or if it is judged to be adverse to the recognized mission of the institution.

University disciplinary procedures should be considered distinct and independent of any and all criminal procedures. Discipline procedures may precede, occur simultaneously, or follow and consider the results of court action. When necessary, temporary action may be taken in the form of summarily suspending, summarily restricting, or officially requesting no contact between the complainant and assailant, as well as possible relocation or removal from the classes. Any of these measures may result in a student's restricted participation in University events outside attendance of classes and appointments related to the resolution of discipline matters.

At this printing, the South Carolina State Code (SC Code Ann. Sec. 16-3-651 to 16-3-654) defines criminal sexual conduct, which includes rape, as "sexual intercourse, cunnilingus, fellatio, anal intercourse, and any intrusion, however slight, into anal or genital openings, except when such intrusion is accomplished for medically recognized treatment or diagnostic purposes." (SC Code Ann. Sec. 16-3-651) The law goes on to describe three degrees of criminal sexual conduct:

First degree sexual conduct involves a sexual contact (battery) using aggravated force, and/or in association with another crime such as kidnapping, robbery, extortion and burglary. First degree criminal sexual conduct is a felony and is punishable by imprisonment for up to 30 years.

Second degree criminal sexual conduct involves batteries accomplished or attempted with aggravated coercion. Batteries involving an assailant in a position of authority over the complainant is also considered second degree criminal sexual conduct. Criminal sexual conduct in the second degree may be punished by up to 20 years imprisonment. Third degree criminal sexual conduct involves batteries where force or coercion is used and/or the assailant knows or has reason to know that the complainant is mentally defective, mentally incapacitated or physically helpless, even though aggravated coercion is not used. Third degree

criminal sexual conduct is a felony and punishable by up to 10 years in prison.

### **Immediate Care and Treatment Procedures for Complainant**

Any student who experiences sexual harassment (including sexual misconduct, sexual assault or sexual violence) harassment or discrimination on the basis of sex is encouraged to contact Tracey Mobley Chavous, the USC Lancaster Title IX Coordinator. Her office is located in Starr Hall Room 122 and she may be contacted via telephone at 803-313-7152 or [tmobley@mailbox.sc.edu](mailto:tmobley@mailbox.sc.edu). Students may also contact Dr. John Rutledge, Director of Law Enforcement and Security if they would like assistance reporting the incident to local law enforcement. His office is located in the Maintenance Building and he may be contacted via telephone at 803-313-7156.

If an assault takes place on campus: contact Campus Security, Lancaster City Police at 283-3313, or dial 911. The sooner a sexual assault is reported, the easier it is to collect valuable evidence.

Campus security may transport the complainant to an area hospital for medical attention and a rape protocol exam. If the complainant does not want to contact the police, a friend or relative may transport the student to the hospital. When the complainant arrives at the emergency room, the hospital will call Palmetto Citizens Against Sexual Assault to arrange for a volunteer advocate to accompany the complainant throughout the exam. The hospital staff may also contact the City Police.

Medical attention is crucial to assess possible internal injuries or sexually transmitted diseases, as well as to collect medical evidence should the complainant /survivor choose to pursue prosecution. The police will be contacted by the hospital to take possession of evidence collected while the complainant /survivor makes a decision about whether to pursue charges.

If a complainant chooses not to go to the hospital, the complainant is strongly urged to seek appropriate medical attention.

### **Follow-up and Recovery Services for Complainant**

Research has shown that follow-up counseling is of significant benefit to a complainant /survivor of sexual assault and/or related trauma. This counseling may be initiated at any time after an assault (from hours to years). On-or-off campus counseling and other services are available to a student complainant whether the crime was reported or prosecuted. Agencies available to USC Lancaster students include:

- Palmetto Citizens Against Sexual Assault, located at 106 North York Street in Lancaster. This agency provides follow-up counseling to complainant s/survivors of sexual assault. Counselors are available 24-hours a day by calling 286-5232.
- The USC Lancaster Counseling Services is located in Starr Hall. Counseling Services serve USC Lancaster students. Appointments can be made by calling 313-7112.
- Catawba Mental Health Center, located at 1906 Highway 521 Bypass South. Catawba Mental Health is open from 8:30 a.m. to 5 p.m. Monday-Friday. Appointments can be made by calling 285-7456. The number is also used for crisis situations after-hours.
- South Carolina Bar Association Lawyer Referral Service can assist respondent parties in finding an attorney to represent them in civil and criminal proceedings. They can be contacted by phone at 1-800-868-2284 or (803) 779-7100.

### Follow-up Services for the Respondent Party

Follow-up counseling may be of significant benefit to an respondent party. On-or-off campus counseling and other services are available to a respondent party whether or not the crime was reported or prosecuted. Agencies available to USC Lancaster students include:

- The USC Lancaster Counseling Center, located in Starr Hall. The Counseling Center provides counseling to USC Lancaster students. Appointments can be scheduled by calling 313-7112.
- South Carolina Bar Association Lawyer Referral Service can assist respondent parties in finding an attorney to represent them in civil and criminal proceedings. They can be contacted by phone at 1-800-868-2284 or (803) 779-7100.
- The Office of Academic and Student Affairs handles the investigation and resolution of discipline complaints. The phone number is 313-7101.

### Reporting

All complainant s of sexual assault/battery are encouraged to report the incident to law enforcement agencies. Regardless of whether the complainant chooses to immediately involve law enforcement officials, the complainant is strongly urged to go through the rape protocol exam for medical attention and for the purpose of preserving important physical evidence of the assault, which may be used if the complainant chooses to pursue legal prosecution at a later date. The rape protocol exam should be done as soon as possible. Physical evidence can be obtained up to 72 hours after the assault, recognizing that as time passes, the quality of the evidence diminishes.

A complainant /survivor may also choose to file a report to Campus Security or the Office of Academic and Student Affairs. Whether legal or disciplinary action is desired, an anonymous report may be filed at any time with Campus Security and the Office of Academic and Student Affairs. This report provides University staff with information about the crime that may be valuable in their efforts to prevent future crimes and educate other students about high risk areas.

University officials who have knowledge about an assault are required to file an anonymous report with Campus Security in addition to supporting the complainant /survivor and referring that person to campus resources.

### Discipline Policies and Procedures for Complainant and/or Witness

Witnesses to or complainant s of the above described sexual misconduct may wish to contact Campus Security or the Office of Academic and Student Affairs, if the respondent party is a USC Lancaster student.

In this event, officials in Campus Security or the Office of Academic and Student Affairs will meet with the witness or complainant to discuss the report and determine whether there is reason to believe a conduct code offense has occurred. At the same time, discipline procedures will be reviewed and the possible roles the complainant or witness may plan in the gathering of this information and/or the resolution of the complaint will be explored.

At this meeting, if the complainant or witness is willing and prepared, staff may conduct an investigative interview. At the complainant 's or witness's request, an advisor, counselor, attorney, parent, or friend may attend. In this meeting, and as needed, University discipline personnel will answer questions and provide offended individuals with general information about civil and criminal options available to complainant s or witnesses. If there is no objection, in order to promote efficiency and

provide authoritative answers to questions about legal options, this first meeting could include officials from the Lancaster Police Department.

When it is determined that there exists sufficient reason to believe a violation of University policy has occurred, disciplinary procedures may be initiated. It should be understood that complainants and witnesses need not "press charges"; instead, the University is considered the complainant, and as such is responsible for initiating this investigative process. Complainant s or witnesses can expect to be asked to contribute testimony and information to assist in the resolution of the complaint.

### Discipline Policies and Procedures for Respondent Party

To begin discipline procedures, individuals thought to have relevant information or testimony, including the respondent party, will be contacted and interviewed by appropriate University officials. If sufficient information is available to conclude there is reason to believe, or "reasonable grounds" to do so, the University will issue charges from the general conduct regulations and offer the respondent party opportunity to choose from among three possible hearing formats.

The respondent party may choose a pre-hearing adjudication, in which the charged party or parties accept responsibility for the charge(s) and request to have sanctions determined by a hearing authority without a formal hearing.

Alternatively, the respondent party may choose an administrative hearing, in which a University official is authorized to consider testimony and act as hearing officer, deciding whether the respondent is responsible for the charges(s) as issued, and what the University response or sanction, if indicated, should be.

Also available to charged students is a hearing before the Student Affairs Committee, a group of faculty, staff, and students who are trained and authorized to conduct hearings to determine responsibility and appropriate sanctions.

In each of these formats, the burden of proof shall be on the University as the complaining party. Decisions regarding responsibility of charges shall be based on a "preponderance of evidence" standard, meaning responsibility does not have to be proven beyond a shadow of doubt. The University need only demonstrate that the charged student is more likely than not responsible for the charge(s).

In these investigative hearings, regardless of the format chosen, hearing officers or members will not be restricted from testimony of technical rules of evidence. Charged students are assured a right of access to a list of witnesses invited to testify, as well as an opportunity to review all available physical and documentary evidence to be presented at the hearing. In these informal, non-adversarial hearings, there is no formal cross-examination. Charged students are, however, entitled to question and rebut any evidence presented. In order to conduct a fair, orderly hearing, reasonable accommodations may be made in hearing procedures, such as indirect questioning, or special seating arrangements in the hearing room. Both the charged student and the complainant may be accompanied by an advisor of their choice and remain present while all testimony is presented.

Should a hearing authority determine a student is responsible for the charges issued, it will ask Campus Security about the student's disciplinary history, then adjourn again to determine what sanctions are appropriate to the circumstances and individual. The hearing officers will attempt to respond in a manner that best provides for the educational

goals of the process. Possible sanctions include permanent suspension for a period of time, suspension held in abeyance, disciplinary probation, restitution, an official warning, or any combination of these. Conditions, restrictions or specific prohibitions may be issued with or attached to any of these sanctions.

### Sexual Harassment

The University of South Carolina Lancaster will not tolerate the sexual harassment of any member of the University community. Sexual harassment subverts the mission of the University by threatening the careers, educational experiences, and well-being of all members of this community. It undermines the University's deep commitment to the primacy of a reward system based purely on merit, intellectual excellence, and job performance. Sexual harassment of employees or students at the University is defined as unwelcome sexual advances, requests for sexual favors, verbal or other expressive behaviors or physical conduct commonly understood to be of a sexual nature. Sexual harassment includes but is not limited to the following:

1. Threats to make an adverse employment or academic decision if another person refuses to engage in sexual activities.
2. Demands that another person engage in sexual activities in order to obtain or retain employment or academic benefits.
3. Promises, implied or direct, to give employment or academic benefits if another person engages in sexual activities.
4. Unwelcome and unnecessary touching or other sexually suggestive physical contact, or threats to engage in such conduct.
5. Indecent exposure.
6. Invasion of sexual privacy.
7. Sexual advances, requests for sexual favors, sexual comments and questions, and other sexually-oriented conduct that is directed against a specific individual and persists despite its rejection.
8. Conduct, even that not specifically directed at the complainant, which is sufficiently pervasive, severe, or persistent to alter the conditions of the complainant's employment or status as a student and create a hostile working or learning environment, when viewed from the perspective of a reasonable person of the complainant's gender.

The full policy as well as procedures regarding complaints, investigation, and sanctions are available in the University of South Carolina Policies and Procedures Manual under EOP 1.02 (<https://www.sc.edu/policies/ppm/EOP106.pdf>).

## Student Grievance Policy - Non-Academic

### Academic Preface

The University of South Carolina Lancaster is committed to a policy of treating all members of the University Community fairly in regard to their personal and professional concerns. This procedure is designed to provide students an opportunity to address non-academic complaints and problems that they have not been able to resolve through other channels.

### Purpose

The primary objective of the grievance procedure is to insure that concerns are promptly dealt with and resolutions reached in a fair and just manner. It is essential that each student be given an adequate

opportunity to bring non-academic complaints and problems to the attention of the University administration with assurance that each will be given fair treatment.

### Definition

A grievance is defined as dissatisfaction occurring when a student thinks that any condition affecting him/her is unjust, inequitable, or creates unnecessary hardships. Such grievances include, but are not limited to, the following problems: mistreatment by any University employee, wrongful assessment and processing of fees, records and registration errors, racial discrimination, handicapped discrimination, sex discrimination, as they relate to non-academic areas of the University.

The grievance procedure shall not be used for appeals of disciplinary decisions, residency classification decisions, or traffic appeals decisions, or any other type of decision where a clearly defined appeal process has already been established.

### Process

1. Initiating a Grievance - The initial phase of the student grievance procedure requires an oral discussion between the student and the person(s) alleged to have caused the grievance. This discussion must take place within 10 working days of the incident that constituted the grievance.
2. First Appeal
  - a. If the initial oral discussion phase is not successful in resolving the complaint or problem, and if the student wishes to file a formal grievance, the grievance form must be completed and filed with the immediate supervisor of the person alleged to have caused the grievance. The grievance form must be filed with the person's immediate supervisor within five (5) working days of the initial discussion referred to in paragraph 1 above.
  - b. The supervisor shall immediately acknowledge receipt of the grievance form and shall begin an investigation reaching a decision; the supervisor shall inform the student in writing (with a copy to the Dean of Academic and Student Affairs) within three (3) working days of the conclusion of the investigation.
  - c. If the student feels the grievance has been resolved, the process is complete. If not, an appeal may be brought before a Grievance Panel, whose members will be appointed by the Campus Dean.

### Grievance Procedure

If the grievance is unresolved, the student may bring the grievance before the grievance Committee by presenting a written statement within five (5) working days of the date of the supervisor's decision. This statement shall be forwarded to the Dean of Academic and Student Affairs and shall:

1. State the grievance;
2. State why the response is unacceptable; and
3. Request a hearing before the grievance committee.

Any related materials (including a copy of the grievance form and the written response from the supervisor) must accompany the letter.

Upon receipt of the appeal, the Associate Dean of Academic and Student Affairs shall send a copy of the appeal to the members of the Grievance Panel and the major parties involved. The major parties include: the person(s) against whom the grievance was initiated and the supervisor of the individual(s). The Associate Dean of Academic and Student Affairs shall ask the major parties to respond in writing to the appeal within

five (5) working days. At the end of the five (5) working day period, the Associate Dean of Academic and Student Affairs shall meet with the Grievance Panel to examine the grounds for the request for an appellate hearing. A hearing shall be granted if a majority of the Panel finds that grounds for the appeal have been substantiated. A tie vote shall result in a hearing being granted. The Associate Dean of Academic and Student Affairs shall notify in writing, all involved parties of the decision of the committee to either hear or not to hear the grievance. The hearing shall be conducted not sooner than five (5) working days after the decision to grant the request for the hearing, and not later than 15 working days after the decision to grant the request for the hearing. A postponement may be granted by the Associate Dean of Academic and Student Affairs upon written request of either party. The request shall state why the postponement should be granted.

### Conduct of the Hearing

The Associate Dean of Academic and Student Affairs shall open the hearing by reading the request for an appeal, and informing the parties involved of the jurisdiction of the committee and its procedures. The Associate Dean of Academic and Student Affairs shall ascertain that all the parties involved are aware of their rights, answer any questions they have in regard to these matters, and conduct the hearing.

All hearings shall be closed to the public, unless all parties agree that the hearing be opened to members of the University Community. A tape recording shall be made of the proceedings.

All parties involved in a hearing shall maintain in the strictest confidence the identity of the individuals appearing before the Grievance Panel, as well as the information presented to the Grievance Panel.

Hearings shall be conducted in an informal manner. The taking of statements from the parties to the grievance (and witnesses, if any) may be done by discussion format, though each individual appearing before the Grievance Panel may be subject to cross examination. Witnesses shall be present only during the time they are testifying. The major parties involved in the grievance shall be required to attend all hearings of the Grievance Panel.

At the conclusion of the hearing, each party shall submit a proposed solution of the grievance to the Grievance Panel. After receiving the proposed solutions to the grievance, the Associate Dean of Academic and Student Affairs shall dismiss all the individuals who are not members of the Grievance Board. The committee shall reach its decision based on the information presented during the hearing, and according to the Statement of Student Rights and Responsibilities. The Grievance Panel shall decide by majority vote the solution of the grievance. In the case of a tie, the Associate Dean of Academic and Student Affairs shall vote and thus break the tie. The Associate Dean of Academic and Student Affairs (or their designee) shall forward a written copy of the Grievance Panel's decision to the major parties involved and to the Campus Dean's Office within 5 working days of the conclusion of the hearing.

Decisions of the Grievance Panel shall be final. The decisions of the Grievance Panel shall be kept on file in the Office of Academic and Student Affairs. Any of the parties involved shall have the right, upon request, to listen to the tape recordings of the hearing in the presence of a staff member of the Office of Academic and Student Affairs.
