### 3. Determining the Refundable Portion Procedure

The refund is for the portion of the tuition, fees, room, board, and other charges assessed the student under the control of the University equal to the portion of the period of enrollment for which the student has been charged that remains on the withdrawal date, less any unpaid amount of a schedule cash payment for the period of enrollment for which the student has been charged.

#### Title IV Funds

Refunds Policy For Students Who Have Received Title IV Funds And Withdraw From The University

Federal financial aid funds are awarded with the expectation that students will complete the entire period of enrollment. Students "earn" a percentage of the funds that are disbursed with each day of class attendance. When a student who has received federal aid funds (Title IV Funds) leaves school before the end of the semester or period of enrollment, federal regulations require the University of South Carolina to calculate the percentage and amount of "unearned" financial aid funds that must be returned. Once a student has completed more than 60% of the enrollment period, they are considered to have earned all funding received. This calculation may have the effect of requiring the student who withdraws before this time frame to repay funds that have already been disbursed to the student or credited towards their current account for tuition, fees, housing and/or meals. Students are encouraged to meet with a counselor in the Office of Student Affairs, or the appropriate office on their campus, prior to making the decision to withdraw from school.

#### Title IV Refund Distribution

For fully withdrawn students receiving federal and/or state funds, the refund will be governed by the current Federal Title IV refund policy. The Office of Student Financial Aid and Scholarships determines the amount of the refund that is distributed back to Title IV, HEA Programs or other Financial Aid sources. For students and their parents who have received student loans or other forms of financial aid, refunds will be returned in the order prescribed by federal regulations. The institution must return the refund to the financial aid program other than College Work Study, up to the amount of assistance that the student received from those programs. Refunds are to be distributed to the financial aid programs in the following order:

- Unsubsidized Federal Stafford
  - Subsidized Federal Stafford
  - Federal Perkins
  - Federal PLUS Loan
  - Federal Grants
  - Pharmacy, Nursing & Health Professions Loans
  - State funds
  - Private or institutional scholarship(s) and loan(s)
- Any remaining balance will first be used to repay any outstanding university charges and any subsequent balances will be refunded to the student/parent.

Exit interviews are required before leaving the University of South Carolina for all students who withdraw and have received Stafford, Perkins, or Federal Nursing Loans. Exit interviews can be completed on the Internet at <http://www.sc.edu/financialaid/>. Click on "Loan Counseling on the Web" and follow the instructions. Or, you may contact the Office of Student Financial Aid and Scholarships at (803)-777-8134 or the Loan Collection Department of the Bursar's Office at (803)-777-3559 for the Columbia Campus.
