

COURSE DESCRIPTIONS

- Biomedical Science (BMSC) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/bmsc/>)
- Cell Biol & Anatomy (MCBA) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/mcba/>)
- Chemistry (CHEM) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/chem/>)
- Family & Preventive Med (FPMD) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/fpmd/>)
- Medical Topics (DMED) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/dmed/>)
- Medicine Clinical (MEDI) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/medi/>)
- Neurology (NEUR) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/neur/>)
- Neuropsychiatry (NPSY) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/npsy/>)
- Obstetrics / Gynecology (OBY) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/oby/>)
- Ophthalmology (OPHTH) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/opth/>)
- Orthopaedic Surgery (ORSU) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/orsu/>)
- Pathology & Microbiology (PAMB) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/pamb/>)
- Pathology (PATH) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/path/>)
- Pediatrics (PEDI) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/pedi/>)
- Physlgy & Pharmacology (PHPH) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/phph/>)
- Radiology (RADI) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/radi/>)
- Surgery (SURG) (<https://academicbulletins.sc.edu/medicine/school-medicine-columbia/course-descriptions/surg/>)
