

MEDICAL ANTHROPOLOGY MINOR

The Medical Anthropology minor develops students' understanding of health from the perspective of human cultural and biological diversity, preparing them for careers in global health.

Admission Requirements

- The minor is *not open* to Anthropology majors
- At least 15 hours used in the minor must be earned at UofSC within the Department of Anthropology

Requirements

The minor in Medical Anthropology consists of **18 credit hours or 6 classes**.

Departmental or Honors College special topics courses or field schools related to medical anthropology may fulfill the restricted electives requirement, provided that the course substitutions are pre-approved by the office of the Dean of Undergraduate Student Affairs and Advising in Flinn Hall in consultation with faculty content experts in the Department of Anthropology; bring a syllabus to Flinn Hall for the course you want pre-approved. Appeals to register in pre-approved honors college courses should be directed to the Honors College.
