**Founding Documents Requirement**

All undergraduate students must take a 3-credit course or its equivalent with a passing grade in the subject areas of History, Political Science, or African American Studies that covers the founding documents including the United States Constitution, the Declaration of Independence, the Emancipation Proclamation and one or more documents that are foundational to the African American freedom struggle, and a minimum of five essays from the Federalist papers. This course may count as a requirement in any part of the program of study including the Carolina Core, the major, minor or cognate, or as a general elective. Courses that meet this requirement are listed here (https://academicbulletins.sc.edu/undergraduate/founding-document-courses/).

1. Carolina Core Requirements (34-46 hours)

- CC-GFL courses (https://academicbulletins.sc.edu/undergraduate/carolina-core-courses/)

It is strongly recommended that students continuing the study of a foreign language begin college-level study of that language in their first semester and continue in that language until their particular foreign language requirement is completed.

**History (3 hours)**

The College of Arts and Sciences requires one additional GHS course beyond the Carolina Core GHS requirement.

- If the Carolina Core GHS requirement is fulfilled by a U.S.
  history course, the College of Arts and Sciences history requirement must be fulfilled by a non-U.S. history course.
• If the Carolina Core GHS requirement is fulfilled by a non-U.S.
  history course, the College of Arts and Sciences history requirement
  must be fulfilled by a U.S. history course.

Please select the College of Arts and Sciences history requirement
from the approved list of U.S. and non-U.S. history courses (https://
academicbulletins.sc.edu/undergraduate/arts-sciences/history-
requirement/).

Social Science and Fine Arts or Humanities (6 hours)

• Social Science (3 hours)
  • The College of Arts and Science requires one 3-hour Social
    Science Course (https://academicbulletins.sc.edu/
    undergraduate/arts-sciences/courses-acceptable-social-
    science/)
  • Fine Arts/Humanities (3 Hours)
    • A Bachelor of Science from the College of Arts and Sciences
      requires one 3-hour Fine Arts/Humanities Course (https://
      academicbulletins.sc.edu/undergraduate/arts-sciences/courses-
      acceptable-fine-arts-humanities/)

3. Program Requirements (20-35 hours)

Cognate or Minor (12-18 hours)

Students must complete a cognate (12 hours) or a minor as part of
this program. In lieu of a cognate or minor, an additional major may be
added to a student’s program of study. Additional majors must include all
major courses as well as any prescribed courses noted (*) in the bulletin.
Prescribed courses noted in the bulletin may be shared with Carolina
Core, College requirements, and Program requirements in the primary
program.

Cognate (12 hours)

The cognate must consist of twelve (12) hours of courses at the
advanced level, outside of but related to the major. The cognate may be
taken in one or more departments or programs.

Courses offered by departments and programs that are acceptable for
cognate credit are outlined in the section titled Courses Acceptable for
Cognate Credit in Degree Programs in the College of Arts and Sciences
(https://academicbulletins.sc.edu/undergraduate/arts-sciences/courses-
acceptable-cognate/). Some major programs have specific cognate
requirements. It should be emphasized that the cognate is not a second
set of elective courses to be chosen at random by the student. Students
are urged to consult their major advisors for specific requirements in their
major.

Unless otherwise noted, for Bachelor of Science degrees, cognate
courses passed with a grade of D or higher are acceptable.

Minor (18 hours)

In place of the cognate a student in the College of Arts and Sciences
may choose a minor consisting of at least 18 credit hours of prescribed
courses.

The minor is intended to develop a coherent basic preparation in a
second area of study. It differs from the cognate inasmuch as the
courses must follow a structured sequence.

Courses applied toward general education requirements cannot be
counted toward the minor. No course may satisfy both major and minor
requirements. All minor courses must be passed with a grade of C or
higher. At least half of the courses in the minor must be completed in
residence at the University.

A list of minor programs of study can be found at Programs A-Z (https://
academicbulletins.sc.edu/undergraduate/programs-az/).

Electives (2-23 hours)

120 (or 128) degree applicable credits are required to complete any
degree at UofSC. After the cognate, minor or second major is complete,
any additional credits needed to reach 120 (or 128) total credits can
be fulfilled by electives. No courses of a remedial, developmental, skill-
acquiring, or vocational nature may apply as credit toward degrees in the
College of Arts and Sciences. The College of Arts and Sciences allows
the use of the Pass-Fail option on elective courses. Further clarification
on inapplicable courses can be obtained from the College of Arts and
Sciences.

4. Major Requirements (36 hours)

A minimum grade of C is required in all major courses.

Each student must complete a program of studies designed by an
interdisciplinary program committee appointed by the College Academic
Affairs and Advising Office. The program shall include a minimum of
36 semester hours of credit in major eligible courses in two or more
fields. No course submitted in fulfillment of the general education
requirements may be included in the program requirements. A maximum
of 15 semester hours of independent study courses may be applied to the
interdisciplinary studies program requirement.

Procedure

The following procedures shall be followed in designing a program of
interdisciplinary studies:

• The candidate shall apply to the College Academic Affairs and
  Advising Office for declaration of an interdisciplinary studies
  program.
  • The candidate must submit to the College Academic Affairs and
    Advising Office a written statement of goals concerning a potential
    interdisciplinary studies program.
  • The College Academic Affairs and Advising Office will help the
    candidate formulate an interdisciplinary program committee,
    which shall consist of faculty members from the student’s areas
    of interdisciplinary interest. The members of the interdisciplinary
    program committee shall be appointed by the College Academic
    Affairs and Advising Office, who will designate one member as chair
    and as the student’s academic advisor.
  • The interdisciplinary program committee shall meet with the student
    and prepare a program of studies leading to the Bachelor of Arts
    in Interdisciplinary Studies. This program shall include a written
    justification for the specific program of studies designed with the
    student. The program of study must be approved by the committee
    prior to the completion of 75 hours. The committee and College
    Academic Affairs and Advising Office must approve any subsequent
    changes in the student’s program.
  • The candidate's academic advisor shall advise the student each
    semester and shall sign the necessary registration and other
    advisor’s forms. Advising shall adhere to the student's approved
    program of studies. The academic advisor shall consult with the
    interdisciplinary program committee for approval should deviation
    from the original program become necessary or advisable. All
changes shall be registered with the College Academic Affairs and Advising Office.
