MEDICAL HUMANITIES AND CULTURE MINOR

Minor Requirements

The minor in Medical Humanities and Culture consists of 18 credit hours or 6 classes.

- Two-four courses (6-12 credit hours) must be chosen from offerings in the humanities (Group A); if two humanities courses (6 hours) are chosen, then 12 hours must be chosen from the social sciences, so that the student takes the requisite 18 hours total.
- Two-four courses (6-12 credit hours) must be chosen from offerings in the social sciences (Group B); if two social sciences courses (6 hours) are chosen, then four courses (12 hours) must be chosen in the humanities, so that the student takes the requisite 18 hours total.

Group A: Humanities Select two-four of the following: 6-12 ARTH 333 Art, Anatomy, and Medicine, 1700-Present ARTS 232 Figure Structure I ARTH 524 Topics in Renaissance Art CLAS 230 Medical and Scientific Terminology CLAS 360 Classical Origins of Western Medical Ethics ENGL 341 Literature and Medicine HIST 382 History of Medicine: Antiquity to the Scientific Revolution HIST 393 Making Modern Science: The Life Sciences HIST 451 The History of American Medicine HIST 452 The History of Science in America JOUR 507 Health Communication: The Science and Practice PHIL 312 Classical Origins of Western Medical Ethics PHIL 321 Medical Ethics PHIL 323 Ethics of Science and Technology PHIL 360 History and Philosophy of Science

Total Credit Hours 12-24

Note: Departmental or Honors College special topics courses related to medicine may satisfy the minor requirements in either the humanities (Group A) or social sciences (Group B), provided that the course substitutions are pre-approved by the office of the Dean of Undergraduate Student Affairs and Advising in Flinn Hall in consultation with faculty content experts; bring a syllabus to Flinn Hall for the course you want pre-approved. Appeals to register in pre-approved honors college courses should be directed to the Honors College.
