

LANGUAGES, LITERATURES AND CULTURES, B.A.

Students at the University of South Carolina are living in an increasingly globalized context in which economic, social, environmental, and cultural transformations in one part of the world can affect all others. The State of South Carolina leads the nation in per capita foreign direct investment. The ability to comprehend and communicate in diverse languages not only prepares our students to understand the history and traditions of our own culture, it also equips them to be active and engaged representatives of the state in the global economy and world affairs. The ability to communicate in a foreign language has been shown to correlate directly with career success by a variety of empirical studies. The major in languages, with its multiple and flexible tracks, is vital for the preparation of the next generation of South Carolina citizens and leaders.

Learning Outcomes

1. Students will be able to demonstrate intermediate to advanced level proficiency in their target language(s).
2. Students will be able to evaluate and discuss literary and cultural texts, or linguistic documents, and advance arguments effectively through strong writing and research skills.
3. Students will be able to recognize and discuss the significance of the socio-political structures, and the intellectual and literary/or artistic contributions in the target culture and language sphere.
4. Students will be able to recognize, describe, and reflect on the cultural practices that shape social interactions in the target culture.

This course may count as a requirement in any part of the program of study including the Carolina Core, the major, minor or cognate, or as a general elective. Courses that meet this requirement are listed here (<https://academicbulletins.sc.edu/undergraduate/founding-document-courses/>).

1. Carolina Core Requirements (32-44 hours)

Some programs may have a higher number of minimum Carolina Core hours due to specified requirements.

- If the Carolina Core GHS requirement is fulfilled by a **non-U.S. history** course, the College of Arts and Sciences history requirement must be fulfilled by a **U.S. history** course.

RUSS 201 and RUSS 202
SPAN 209 and SPAN 210

3. Program Requirements (13-49 hours)

Cognate or Minor (12-20 hours)

Students must complete a cognate (12 hours) or a minor as part of this program. In lieu of a cognate or minor, an additional major may be added to a student's program of study. **Additional majors must include all major courses as well as any prescribed courses noted (*) in the bulletin.**

Prescribed courses noted in the bulletin may be shared with Carolina Core, College requirements, and Program requirements in the primary program.

Students completing the PK-12 Teacher Certification Concentration for French, Classics-Latin, German, or Spanish must complete a Foreign Language Education Minor (https://academicbulletins.sc.edu/undergraduate/arts-sciences/foreign_language_edu_minor/). (20 hours)

Cognate (12 hours)

The cognate must consist of twelve (12) hours of courses at the advanced level, outside of but related to the major. The cognate may be taken in one or more departments or programs.

Courses offered by departments and programs that are acceptable for cognate credit are outlined in the section titled Courses Acceptable for Cognate Credit in Degree Programs in the College of Arts and Sciences (<https://academicbulletins.sc.edu/undergraduate/arts-sciences/courses-acceptable-cognate/>). Some major programs have specific cognate requirements. It should be emphasized that the cognate is not a second set of elective courses to be chosen at random by the student. Students are urged to consult their major advisors for specific requirements in their major.

For Bachelor of Arts degrees, all cognate courses must be passed with a grade of C or higher.

Minor (18 hours)

In place of the cognate a student in the College of Arts and Sciences may choose a minor consisting of at least 18 credit hours of prescribed courses.

The minor is intended to develop a coherent basic preparation in a second area of study. It differs from the cognate inasmuch as the courses must follow a structured sequence.

Courses applied toward general education requirements cannot be counted toward the minor. No course may satisfy both major and minor requirements. **All minor courses must be passed with a grade of C or higher.** At least half of the courses in the minor must be completed in residence at the University.

A list of minor programs of study can be found at Programs A-Z (<https://academicbulletins.sc.edu/undergraduate/programs-az/>).

Electives (0-37 hours)

120 (or 128) degree applicable credits are required to complete any degree at UofSC. After the cognate, minor or second major is complete, any additional credits needed to reach 120 (or 128) total credits can be fulfilled by electives. No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward degrees in the College of Arts and Sciences. The College of Arts and Sciences allows the use of the Pass-Fail option on elective courses. Further clarification on inapplicable courses can be obtained from the College of Arts and Sciences.

4. Major Requirements (24-45 hours)

A minimum grade of C is required in all major courses.
