

POLITICAL SCIENCE, B.A.

The Bachelor of Arts in Political Science offers broad exposure to the discipline with courses on American politics, comparative politics, international relations, public administration and policy, and political theory. Graduates demonstrate knowledge of the basic facts, themes, theories and concepts central to the study and understanding of politics. Through this degree, students gain proficiency in critical thinking, writing and analysis of politics and theories of politics. Specific programs, such as comparative politics, provide opportunities for students to select one or two individualized areas of interest.

There are two options under the B.A. in political science degree program: a general major and the intensive major, which requires additional coursework, consistently excellent grades and a research project culminating in a senior thesis. The intensive major offers students experience that may provide an edge for pursuing future graduate studies and research or when entering careers in law, public administration, business and more.

Learning Outcomes

1. Political Science majors will demonstrate knowledge of basic facts, themes, theories and concepts central to the study and understanding of politics.
2. Political Science majors will demonstrate critical writing skills and demonstrate proficiency in the analysis of politics and theories of politics.
3. Political Science majors will demonstrate skills in critical thinking and evaluating political data in the analysis of politics.

History (3 hours)

The College of Arts and Sciences requires one additional GHS course beyond the Carolina Core GHS requirement.

- If the Carolina Core GHS requirement is fulfilled by a **non-U.S. history** course, the College of Arts and Sciences history requirement must be fulfilled by a **U.S. history** course.

Please select the College of Arts and Sciences history requirement from the approved list of U.S. and non-U.S. history courses (<https://academicbulletins.sc.edu/undergraduate/arts-sciences/history-requirement/>).

3. Program Requirements (34-46 hours)

Cognate or Minor (12-18 hours)

Students must complete a cognate (12 hours) or a minor as part of this program. In lieu of a cognate or minor, an additional major may be added to a student's program of study. **Additional majors must include all major courses as well as any prescribed courses noted (*) in the bulletin.** Prescribed courses noted in the bulletin may be shared with Carolina Core, College requirements, and Program requirements in the primary program.

Cognate (12 hours)

The cognate must consist of twelve (12) hours of courses at the advanced level, outside of but related to the major. The cognate may be taken in one or more departments or programs.

Courses offered by departments and programs that are acceptable for cognate credit are outlined in the section titled Courses Acceptable for Cognate Credit in Degree Programs in the College of Arts and Sciences (<https://academicbulletins.sc.edu/undergraduate/arts-sciences/courses-acceptable-cognate/>). Some major programs have specific cognate requirements. It should be emphasized that the cognate is not a second set of elective courses to be chosen at random by the student. Students are urged to consult their major advisors for specific requirements in their major.

For Bachelor of Arts degrees, all cognate courses must be passed with a grade of C or higher.

Minor (18 hours)

In place of the cognate a student in the College of Arts and Sciences may choose a minor consisting of at least 18 credit hours of prescribed courses.

The minor is intended to develop a coherent basic preparation in a second area of study. It differs from the cognate inasmuch as the courses must follow a structured sequence.

Courses applied toward general education requirements cannot be counted toward the minor. No course may satisfy both major and minor requirements. **All minor courses must be passed with a grade of C or higher.** At least half of the courses in the minor must be completed in residence at the University.

A list of minor programs of study can be found at Programs A-Z (<https://academicbulletins.sc.edu/undergraduate/programs-az/>).

Electives (16-34 hours)

120 (or 128) degree applicable credits are required to complete any degree at UofSC. After the cognate, minor or second major is complete, any additional credits needed to reach 120 (or 128) total credits can be fulfilled by electives. No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward degrees in the College of Arts and Sciences. The College of Arts and Sciences allows the use of the Pass-Fail option on elective courses. Further clarification on inapplicable courses can be obtained from the College of Arts and Sciences.

Note: 4-22 hours of electives will be needed to reach hours to graduate and Program Requirements will range from 22-34 hours, if completing either the Intensive Major or the B.A. with Distinction in Political Science.

4. Major Requirements (24 hours)

A minimum grade of C is required in all major courses.
