DANCE, B.A.

The Bachelor of Arts with a major in Dance offers two concentrations:

1. Performance and Choreography with focuses in ballet or contemporary dance and
2. Dance Education K-12.

The performance and choreography focus in classical ballet requires 8 ballet techniques and 4 contemporary techniques classes. The contemporary dance focus requires 6 contemporary techniques, 4 ballet techniques and 2 techniques of other forms of dance. Academic coursework such as choreography, dance history, and theory courses are also included in the major requirements for a degree in dance. Dance performances include full-length ballet productions, classical repertory and contemporary works.

Learning Outcomes

• Dance majors will demonstrate an advanced level of technical proficiency in ballet and or contemporary dance. Dance majors in Performance as well as Dance Education must achieve level three by graduation.
• Students will be able to write about dance in an educated manner and use critical approaches to evaluate dance.
• Students will describe the principles and theories of dance artists, their theories and choreographic strengths and also the material that pertains to history and cultural dance.
• Students will be able to verbally articulate the principles and theories of dance artists and their significance in terms of history and cultural dance.

Admission Requirements

1. Entering freshmen and transfer students must meet University admissions requirements and academic standards.
2. Initial acceptance into the dance major is dependent upon a qualifying dance audition in ballet and contemporary dance.
3. Dance majors are encouraged to complete all four years at USC, Columbia campus, due to the rigorous and ongoing nature of the technical proficiency, as well as company requirements. If a student chooses to transfer into the dance major, additional coursework may be necessary to remedy deficiencies.
4. Students who wish to enter the program from another major on the Columbia campus or from another USC campus must be in good standing and have a cumulative GPA of 2.00 or higher.

Progression Requirements

1. At the end of each semester, dance majors will be evaluated for proficiency and progression to the next level of dance technique based on rubrics and syllabi. To graduate, students must complete DANC 302 and DANC 312.
2. All dance majors with an emphasis in dance education must fulfill admission requirements for the Professional Education Program and Internship.
3. To remain in the dance major, a student must make satisfactory progress towards a degree. A student who fails to make satisfactory progress may be placed on academic probation or removed from the college.

Admissions

Entrance Requirements

New freshmen who meet University admissions standards are eligible for admission to degree programs offered by the college. A student who wishes to enter the College of Arts and Sciences from another college on the Columbia campus must be in good standing and have a cumulative GPA of 2.00 or higher. A student who wishes to enter the College of Arts and Sciences from another UofSC campus must fulfill one of the following requirements:

3. Program Requirements (0-41 hours)
Cognate or Minor (12-18 hours) optional for Dance Education K-12 Certification Concentration
Cognate (12 hours)
The cognate is intended to support the course work in the major. The cognate must consist of twelve (12) hours of courses at the advanced level, outside of but related to the major. The cognate may be taken in one or more departments or programs, depending on the interests of the student and the judgment of the advisor.

Courses offered by departments and programs that are acceptable for cognate credit are outlined in the section titled Courses Acceptable for Cognate Credit in Degree Programs in the College of Arts and Sciences (https://academicbulletins.sc.edu/undergraduate/arts-sciences/courses-acceptable-cognate/).

For cognate course offerings in other colleges, consult the appropriate sections of this bulletin. Some major programs have specific cognate requirements.
It should be emphasized that the cognate is not a second set of elective courses to be chosen at random by the student. The cognate must be approved by the major advisor as being related to the major field of study. Students are urged to consult their major advisors for specific requirements in their major.

Courses applied toward general education requirements cannot be counted toward the cognate.

For Bachelor of Arts degrees, all cognate courses must be passed with a grade of C or higher.

Minor (18 hours)
In place of the cognate a student in the College of Arts and Sciences may choose a minor consisting of at least 18 credit hours of prescribed courses. (Some minors in the sciences require a minimum of 16 hours.) The subject area of the minor may be related to the major. Students pursuing interdisciplinary minors who wish to use courses in their major department for minor credit must petition the College Committee on Scholastic Standards and Petitions for permission to do so.

The minor is intended to develop a coherent basic preparation in a second area of study. It differs from the cognate inasmuch as the courses must be concentrated in one area and must follow a structured sequence. Interdisciplinary minors can be designed with the approval of the assistant dean for academic affairs and advising.

Courses applied toward general education requirements cannot be counted toward the minor. No course may satisfy both major and minor requirements. All minor courses must be passed with a grade of C or higher. At least half of the courses in the minor must be completed in residence at the University.

A list of minor programs of study can be found at Programs A-Z (https://academicbulletins.sc.edu/undergraduate/programs-az/).

Application and admission to the Professional Program in Education (typically at 60 credit hours) and admission to Internship are required for all majors seeking teacher certification. All teacher education candidates must adhere to all education policies and procedures related to clinical experiences. Information on education applications, policies, and procedures is available from the College of Education, Advising and Student Services office at 803-777-6732.

Major Map
A major map is a layout of required courses in a given program of study, including critical courses and suggested course sequences to ensure a clear path to graduation.

Major maps are only a suggested or recommended sequence of courses required in a program of study. Please contact your academic advisor for assistance in the application of specific coursework to a program of study and course selection and planning for upcoming semesters.
