DANCE MINOR

The purpose of the minor is to provide a broad education in the foundational forms of dance technique and theoretical studies. Through this curriculum, dance minors will experience diverse dance forms, explore the basics of the choreographic and design process, participate in performances, and have options to discover the history, anatomy, and pedagogy of dance. The dance minor consists of completion of 18 credit hours with courses selected from each section below.

Dancers wishing to specialize in Ballet or Contemporary dance forms are encouraged to apply for the dance major.
