

ART STUDIO, B.F.A.

Learning Outcomes

1. All BFA Studio Art undergraduate students will define and explain development of art, within their own and other cultures, from pre-history to the present.
2. All BFA Studio Art undergraduate students will critically analyze aspects of the design and art making process and evaluate theories, philosophies, and research in the practice of the studio arts.
3. All BFA Studio Art undergraduate students will, through their artwork, demonstrate their competency of aesthetic literacy.
