

ART STUDIO, B.F.A.

Learning Outcomes

- All BFA Studio Art undergraduate students will define and explain development of art, within their own and other cultures, from pre-history to the present.
- All BFA Studio Art undergraduate students will critically analyze aspects of the design and art making process and evaluate theories, philosophies, and research in the practice of the studio arts.
- All BFA Studio Art undergraduate students will, through their artwork, demonstrate their competency of aesthetic literacy.
