### **Electives for A.S. Degrees (18-22 Hours)**

Electives may be any additional courses not used to fulfill the previously stated requirements. Students who intend to apply these credits toward a baccalaureate degree awarded by another campus or institution are advised to work closely with an academic advisor to choose electives that will meet preliminary requirements of the four-year major they wish to pursue. Of particular importance is completion of general education requirements. USC Columbia requires a minimum of 31 general education credit hours and a student planning to pursue a USC Columbia baccalaureate degree must complete these hours. These hours can be incorporated within the 60 hours required for an AA or AS degree when electives are carefully selected. Applying for an associate's degree does not in any manner affect eligibility to apply for a baccalaureate degree, and vice versa.

## **Other Requirements**

In addition to the requirements for the A.A. and A.S. degrees stated above, the following stipulations also apply:

- Students must have a cumulative GPA of 2.00 or better (does not include course grades earned by challenge examinations).
- The final 15 semester hours must be earned at USC.
- No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward degrees.
- Pass-Fail option on elective courses is allowed.
- No more than 15 hours of nontraditional credits, which include DANTES, CLEP, and military experience.
- No more than 3 1-hour PEDU activity courses may count toward meeting Associate's degree requirements (any track).

## **Second Associate's Degree**

At times the University of South Carolina Ft. Jackson confers a second associate's degree upon candidates who have completed all requirements for the second degree, provided that the additional requirements for the second degree include a minimum of 12 semester hours beyond those required for the first degree earned at USC Ft. Jackson and a minimum of 72 semester hours total. Under this policy a student may apply for two degrees at one time or separately. In either case the student would receive two diplomas.
