Learning Outcomes

- Students will achieve an acceptable pass rate on questions related to the following core microeconomic concepts: (a) Consumer utility maximization (b) Producer profit maximization (c) Equilibrium and welfare analysis under different market structures (d) Importance of externalities
- Students will achieve an acceptable pass rate on questions related to the following core macroeconomic concepts: (a) Determination of full-employment output and growth (b) Money creation and inflation (c) Employment and output fluctuations over the business cycle (d) Fundamentals of macroeconomic policy
- Students will achieve to: (a) Solve basic equations to find equilibrium outcomes (b) Use graphs to understand and interpret economic relationships
- Students will be able to successfully prepare a research paper and present the results of their research their peers in a classroom environment.

Internationalization Requirement

The program also requires 9 hours of course work with international content that may be used to fulfill other degree requirements. Three hours must be taken from an approved list of courses offered by the Moore School of Business which contain international business or international economics content. The following course options can also be used to satisfy the 3 credit hours of this requirement: approved course work containing international business or international economics content, taken at a semester abroad program; an approved Maymester or summer overseas course containing international business or international economics content; an approved internship course in international business wherein a student would obtain discipline-related work experience in a foreign country; or an approved service-learning component. Students may choose from one of the following options to complete the remaining 6-hour requirement:

- **Language**: Two language courses at the 200 level or above
- **Electives**: Two approved courses with international content taken either inside or outside the Moore School of Business from a list available in the undergraduate office.

Admissions

Entrance Requirements

In addition to the academic admission requirements of the Moore School of Business stated below, a limit on admission to the program may be imposed. An enrollment limit would become necessary if enrollment levels exceed school staffing capabilities and resources. The Undergraduate Admissions Committee, in consultation with the dean of the school, shall be responsible for adjusting undergraduate enrollment levels to ensure the quality of the undergraduate program. A student who meets admissions criteria will be favorably considered, but because of space limitations admission cannot be guaranteed. Once minimum criteria are met, all qualified applicants are placed into an admissions group and are ranked by academic credentials. Based on the number of available seats, students are admitted in ranked order until capacity is reached. The Moore School only considers new applicants for Fall Term admission.

**Freshmen** entering the UofSC Columbia Pre-Business division of the Moore School of Business must meet the campus requirements for admission. Freshmen applicants will only be considered for Fall Term admission.

**Students from other UofSC campuses** who have no work from colleges outside of UofSC must have a minimum cumulative Institution GPA of 3.25, must have taken at least 15 UofSC credit hours, and have completed calculus with a minimum grade of C. Additionally, those students who have fewer than 30 semester hours from colleges outside UofSC must also meet Columbia campus freshman admission requirements. Change of campus applicants will only be considered for Fall Term admission.

**Students enrolled in other colleges on the Columbia campus** must have a minimum cumulative Institution GPA of 3.25, must have at least 15 UofSC credit hour, and have completed calculus with a minimum grade of C. Internal transfers will only be considered for admission in the fall term.

**Transfer students from other institutions** must present a minimum cumulative GPA of 3.25 on all college work taken and have completed calculus with a minimum grade of C. Students who have taken fewer than 30 semester hours of college work must also meet Columbia campus freshman admission requirements. External transfers will only be considered for Fall Term admission.

Degree Requirements (122 hours)

See Darla Moore School of Business (https://academicbulletins.sc.edu/undergraduate/business/) for progression requirements and other regulations.

### Founding Documents Requirement

All undergraduate students must take a 3-credit course or its equivalent with a passing grade in the subject areas of History, Political Science, or African American Studies that covers the founding documents including the United State Constitution, the Declaration of Independence, the Emancipation Proclamation and one or more documents that are foundational to the African American Freedom struggle, and a minimum of five essays from the Federalist papers. This course may count as a requirement in any part of the program of study including the Carolina Core, the major, minor or cognate, or as a general elective. Courses that meet this requirement are listed here (https://academicbulletins.sc.edu/undergraduate/founding-document-courses/).

1. **Carolina Core Requirements (31-43 hours)**

   **CMW – Effective, Engaged, and Persuasive Communication: Written (6 hours)**
   
must be passed with a grade of C or higher
2. College Requirements (40 hours)

must be passed with a grade of C or higher

Total Credit Hours 40

3. Program Requirements (27-36 hours)

Supporting Courses (0-6 hours)

must be passed with a grade of C or higher

Upper-Level Business Electives: Students with a single major in Business Economics must complete additional upper level (300-level or above) business/economics course work (in ACCT, ECON, FINA, IBUS, MGMT, MGSC, or MKTG) for a total of 21 hours of Upper-Level Business courses, which include major hours. Students must meet prerequisites to take the business elective of their choosing. Students may choose to double major or pursue a business analytics concentration in place of Upper-Level Business Electives.

Minor or Directed Coursework (minimum of 18 hours)

Minors (non-business) may be selected from a University-wide list of approved minors. The minor is normally a minimum of 18 hours of prescribed courses in one subject area. Students not selecting such a minor may submit an alternative program of study to satisfy the directed coursework requirement. All alternative programs of study are subject to approval by the Undergraduate Program Faculty Committee in coordination with the Undergraduate Division. All minor courses or directed coursework must be passed with a grade of C or better.

Electives (3-12 hours)

All students must complete 3 hours of electives, not to include coursework in PEDU or MATH/STAT below the Moore School minimum requirements (ex. MATH 111 or STAT 110). Students are strongly encouraged to take a business section of UNIV 101 to fulfill this elective. Additional electives may be needed if a student exempts the foreign language requirement or fulfills Carolina Core requirements with overlay.
courses. Those credit hours must be replaced with additional elective credits.

4. Major Requirements (15 hours)

*a minimum grade of C is required in all major courses*

**Major Courses (9 hours)**

</tr>
</tbody>
</table>

**Total Credit Hours** 9

**Major Electives (6 hours)**

Six hours of ECON courses numbered 400 or above.

Note: ECON 421, ECON 476, ECON 499 and ECON 524 cannot be used to fulfill the 6 hour requirement.

**Business Analytics Concentration (12 hours) optional**

Please consult with your Academic Advisor or department on the courses recommended for individual majors. The analytics concentration must be taken in conjunction with a major. The department may add additional electives to the Business Analytics Concentration, subject to the approval of the Business Analytics Task Force.

**Major Map**

A major map is a layout of required courses in a given program of study, including critical courses and suggested course sequences to ensure a clear path to graduation.

Major maps are only a suggested or recommended sequence of courses required in a program of study. Please contact your academic advisor for assistance in the application of specific coursework to a program of study and course selection and planning for upcoming semesters.
