3. Program Requirements (21-30 hours)

Minor or Directed Coursework (minimum of 18 hours)
Directed course work may be selected from a University-wide list of approved minors. The minor is normally a minimum of 18 hours of prescribed courses in one subject area. Students not selecting such a minor may submit an alternative program of study to their Moore School academic advisor to satisfy the approved course work requirement. All minor courses or courses approved as alternatives must be passed with a grade of C or better.

Electives (3-12 hours)
All students must complete 3 hours of electives, not to include coursework in PEDU or MATH/STAT below the Moore School minimum requirements (ex. MATH 111 or STAT 110). Students are strongly encouraged to take a business section of UNIV 101 to fulfill this elective. Additional electives may be needed if a student exempts the foreign language requirement or fulfills Carolina Core requirements with overlay courses. Those credit hours must be replaced with additional elective credits.

4. Major Requirements (27-39 hours)
Students majoring in International Business are required to study outside the United States for a period of one semester, normally the spring semester of the academic year in which IBUS 310 is taken, at an approved institution. Exceptions to this requirement will be granted in cases of hardship. Students in regional cohort tracks meet the overseas study requirement at the cohort partner institution. The curriculum of the International Business major satisfies the Moore School internationalization requirement.

A minimum grade of C is required in all major courses.

1 Because one or more of these courses may not be offered on campus during the two years that a student may be taking major-level courses, these courses are most appropriate for study abroad.

Second Major (12-24 hours)
The International Business major must be taken in combination with a second major in business.

Regional Cohort Concentrations (15 hours)
Students in each regional concentration of the International Business major meet the regional course requirements with courses dealing primarily in that region.

Foreign Language
The International Business major requires at least four advanced language courses numbered 300 and above in one foreign language. Students in specific concentrations must meet experiential language.
program participation requirements that do not equate to specific hours, credits, or course levels. Most students use language courses to fulfill their Minor or Directed Coursework Requirement in the Moore School.

**Foreign Study**

Students are placed at partner schools through a competitive application process. Students in regional cohort concentrations meet the overseas study requirement at the cohort partner institution and spend a minimum of two semesters abroad depending on cohort concentration. Experiential program requirements are outlined in the Program Expectations for each cohort concentration.

**Conduct**

Regional Cohort Concentrations have specific behavioral requirements. Those requirements are outlined in the Program Expectations for each cohort.
