

TEACHER EDUCATION

Fenice B. Boyd, *Chair*

The Department of Teacher Education offers degree programs in early childhood, elementary, and middle level education.

Entrance Requirements

New freshmen who meet University admissions standards are eligible for admission to early childhood, elementary, or middle level degree programs offered by the College of Education. Students with less than 30 semester hours completed must also meet freshman admission requirements. Note: To be eligible for progression into the Professional Program in Education, student must achieve a minimum 2.75 overall GPA.

Progression Requirements

To remain in the early childhood, elementary, or middle level degree programs offered by the College of Education, a student must make satisfactory progress toward the degree. An Action Plan will be written that describes specific goals, actions, and criteria which the student must meet in order to be eligible to progress. Students may repeat one time only, one course offered through a department in the College of Education for which an unsatisfactory grade was earned. Students who earn more than one unsatisfactory grade in an Education course will no longer be eligible to progress in the program.

Any student who fails to meet a progression requirement to continue in an undergraduate program in the College of Education and wishes to transfer to a different major in the Department of Instruction and Teacher Education must petition the new program and be approved for admission by the faculty of the program.

Additionally, all students in the college are subject to the regulations on probation, suspension, and readmission in the section of this bulletin titled "Academic Regulations" under the heading "Academic Standards Policies."
