

MECHANICAL ENGINEERING MINOR

Degree Requirements (18 hours)

Course	Title	Credits
EMCH 200	Statics ¹	3
EMCH 260	Solid Mechanics ¹	3
EMCH 290	Thermodynamics ¹	3
EMCH 310	Dynamics ¹	3
EMCH 327	Machine Design	3
EMCH 360	Fluid Mechanics ¹	3
Total Credit Hours		18

¹ Prerequisite requirements not included in the minor that may require additional hours but may be applied elsewhere in the student's program of study, if applicable.

Note: Students may petition the Department of Mechanical Engineering that other EMCH courses 300-level and above be substituted for minor requirements.
