SPORT AND ENTERTAINMENT MANAGEMENT, B.S.

The Sport and Entertainment Management (SPTE) Department at the University of South Carolina prepares students for a variety of managerial positions in the sport and entertainment industry.

The goal of the SPTE department is to create an integrated academic learning environment for analyzing and resolving the challenges in the business of sport and entertainment. The SPTE department provides a comprehensive curriculum that includes courses in general education, business and sport and entertainment management, as well as two experiential learning experiences (practicum and internship) under the supervision of industry professionals and SPTE faculty.

The faculty and staff are committed to providing support for student achievement. Students can enter the industry with exceptional knowledge, professional preparation, a strong alumni network, and the confidence to assume leadership positions.

Learning Outcomes

• Students should be able to demonstrate knowledge of the qualifications, job requirements, and working conditions for a sport and entertainment industry position.
• Students should be able to demonstrate the computer and technical skills needed for a sport and entertainment industry position.
• Students should be able to apply learned concepts and theory to demonstrate an understanding of the nature of the sport and entertainment industry.

• Pre-Professional College Required Courses
• Pre-Professional Related Courses
• Pre-Professional Major Courses

Admissions

Entrance Requirements

The College of Hospitality, Retail, and Sport Management has a pre-professional and a professional division of student classification. All new students will begin in the pre-professional division. Progression into the professional division requires the approval of the department and the successful completion of the requirements indicated under each departmental heading.

In addition to the academic admission requirements of the University and of the College of Hospitality, Retail, and Sport Management for admission to the pre-professional division, an enrollment limit into the professional division may be imposed by various departments. Such a limit would become necessary if enrollment levels exceed available department staffing and facility resources. In the event of an enrollment limit, admission to a department may take into account the applicant’s grade point average and other factors which may include the applicant’s potential for success in that major.

Freshmen Students

In order to be admitted to a program of study in the College of Hospitality, Retail, and Sport Management, freshmen applicants must meet all University admission requirements through the Office of Undergraduate Admissions.

Transfer applicants for Sport and Entertainment must have a cumulative GPA of a 3.0 on all college-level work attempted. Transfer applicants for Retailing must have a cumulative GPA of a 2.5 on all college-level work attempted.
