

SPORT AND ENTERTAINMENT MANAGEMENT, B.S.

Admissions

Entrance Requirements

The College of Hospitality, Retail, and Sport Management has a pre-professional and a professional division of student classification. All new students will begin in the pre-professional division. Progression into the professional division requires the approval of the department and the successful completion of the requirements indicated under each departmental heading.

In addition to the academic admission requirements of the University and of the College of Hospitality, Retail, and Sport Management for admission to the pre-professional division, an enrollment limit into the professional division may be imposed by various departments. Such a limit would become necessary if enrollment levels exceed available department staffing and facility resources. In the event of an enrollment limit, admission to a department may take into account the applicant's grade point average and other factors which may include the applicant's potential for success in that major.
