Note: Students that wish to have an area of focus in entrepreneurship are recommended to complete at least 15 hours of the major from among a specific sub-set of courses identified as related to entrepreneurship. It is recommended that students should also take PALM 494 rather than PALM 495 to gain internship experience. PALM 494 does not count toward the 15 hours of Entrepreneurship courses. This area of focus in entrepreneurship designation does not appear on the student’s academic transcript, nor on the diploma.

Major courses that are acceptable for credit toward this area of focus are identified in the academic bulletin by appearing with the designation (E) after the name of the course.
