Total Credit Hours: 12

Program Electives (8-9 hours): Each student must complete 8-9 credit hours of related courses (300 level or above) to support coursework in the major. All major specific electives must be approved by the student’s academic advisor. A minimum grade of C in these courses is required.

Courses offered by departments and programs that are acceptable for program elective credit are outlined here (https://academicbulletins.sc.edu/undergraduate/public-health/courses-acceptable-cognate/).

Natural Science Cognate (12 hours)

*Must be passed with a grade of C or higher*

Each student must complete a cognate of 12 credit hours of natural and physical sciences. The cognate is intended to support the course work in the major. Depending on student interests, cognate courses may be selected from one or several units. A cognate differs from a minor in that the courses must be 300 level or above and may be distributed over more than one subject area. Courses applied toward minimum Carolina Core requirements cannot be counted toward the cognate. All cognate courses must be approved by the student’s academic advisor.

The list of course options for the Natural Science Cognate are outlined here (https://academicbulletins.sc.edu/undergraduate/public-health/natural-sciences-cognate/).

Minor (18 hours) *optional*

Students majoring in Public Health may pursue minors offered by other units. In completing a minor, students may apply advisor-approved courses to both the minor and cognate, or elective requirements.

Electives (0-12 hours)

Students in Public Health must complete a minimum of 120 credit hours. Depending on specific course choices, students must complete an appropriate number of elective courses.

4. Major Requirements (32 hours)

*A minimum grade of C is required in all major courses*
